Faculty, faculty family members, and other community residents are welcome to participate. So if you're interested in theatrical activity of any kind, from acting, directing, and design to crew work, why not join us at our first organizational meeting of the year? We'll be accepting proposals for this year's season: Do you have a favorite play you'd like us to consider? Meet us at 2:00 p.m. on Sunday, September 17, in the Lecture Hall or contact Cynthia Hodell at Ext. 231 or 449-5530.

LIBRARY EXHIBIT

A collection of works by South Carolina artists can be seen in the first floor display area of the Kimbel Library. These works are part of the State Arts Collection sponsored by the South Carolina Arts Commission and the South Carolina Museum Commission. The library is the only site designated in Horry County for display of these pieces. The present collection will be on exhibit through September; other showings are scheduled for future months. Credit goes to Martha Thomas for having the idea and working out the details and to Marianna Hamilton for personally transporting the items.

CAROLINA  
CAREER  
DAY

The Columbia campus has again scheduled its annual Carolina Career Day on Wednesday, September 20, from 10:00 a.m. to 2:00 p.m. Career Day is a program designed to provide students an opportunity to meet with representatives from national companies and graduate schools. It is estimated that in two hours a student can "make the rounds" of all stations, gathering information and arranging for follow up activities. The entire program will be held on the Russell House patio, with the ballroom used in case of rain.

Free transportation to and from the Columbia campus will be provided to Coastal students who sign up prior to 5:00 p.m. on Tuesday, September 19, in the Student Activities Office, Student Union Building. Students should expect to purchase their own lunch at the Russell House.

Transportation will depart Coastal at 8:00 a.m. and return at 5:00 p.m.

Seniors are especially urged to participate in this worthwhile program.
