NEW YORK
THEATRE
SERIES

The New York Theatre Series offerings for 1978-79 include Side by Side by Sondheim, a review of the music and lyrics of Stephen Sondheim performed by two pianists and narrator Hermione Gingold; Neil Simon's quartet of playlets California Suite, starring Carolyn Jones and James Drury; The Passion of Dracula, a genuine old fashioned horror thriller, with Jose Greco in the title role; Sallie Ann Howes in the ever-popular Sound of Music; and Arms Too Short to Box with God, a rousing spiritual songfest recreating the passion story in gospel-style music.

Tickets are available through the convention center box office at regular prices. The \$15.00 student discount tickets are not available to all interested faculty this year; however, we may register one faculty member (and only faculty) as a "sponsor" for every ten students registering. If you are interested in one \$15.00 ticket for the season, call Cynthia Hodell or Claudia Chary at Ext. 231 or drop a note in the campus mail. Send no money, please! "Sponsor" tickets will be assigned on a first come, first serve basis.

SOCCER TEAM

HEATING/
COOLING

In the event classrooms in the Academic or other buildings are too cold or hot, it is asked that this condition be corrected by turning the fan down to the slow position rather than by opening the windows. Opening the windows is a short run solution which in the long run causes the unit(s) to work against itself. Do not turn the fan off altogether. The faculty Buildings and Grounds Committee will shortly issue a memo on this subject. Also, in the Administration Building, classrooms and offices, you can help us by reporting leaking or otherwise non-functional cooling/heating units through your Division/Office secretary. There is a warranty on such units which have been overhauled as part of the overall building renovation. We hope to isolate all problems while this warranty is in effect.

SMOKING, EATING,
DRINKING

In response to student requests and in accordance with fire and cleanliness considerations, we ask that all staff, faculty, and students honor the prohibition against smoking, food and beverages in all classroom/laboratory areas. Signs reminding everyone of the above should be posted in all areas affected within the next two weeks. Smoking, eating, and drinking should be limited to halls, lounges, and designated areas.

LITTER

All campus personnel are urged to participate in our campaign to eliminate littering of campus buildings and grounds, and especially, College Drive. Please use receptacles provided, and if you see someone littering, please remind them of our campaign.

ENERGY
CONSERVATION

If there is not a class scheduled in the room following yours--could you help us save energy--by turning out the lights.

BUSINESS OFFICE
REORGANIZATION

Please shift responsibility for Physical Education from Mrs. Fellenbaum to Mrs. Cribb; and Mathematics from Mrs. Cribb to Mrs. Fellenbaum. Also, the Library and Nursing will be handled by Mrs. Fellenbaum. In the event of emergencies or if the person with assigned responsibility is not available, any person in the office will be willing and available to answer general inquiries for any area of responsibility.
