HCHEC elects 1993-1994 officers

The Horry County Higher Education Commission (HCHEC) has elected its 1993-1994 officers. They are: John Dawsey of Aynor, chair; Ruthie Kearns of Myrtle Beach, vice chair; James C. Hipp of Loris, secretary; and Elizabeth Shaw of Conway, treasurer.

John Dawsey has been a member of HCHEC since May 1970. He earned a bachelor's degree from Clemson University in 1952 and a master's degree in education from Appalachian State University in 1974. Dawsey was superintendent of the Horry County School District from 1979 to 1991.

Ruthie Kearns has been a commission member since July 1984; she was treasurer in 1990 and vice chair in 1991. Kearns received a bachelor's degree from the University of South Carolina in 1968 and is enrolled in the MBA program at USC. She is senior vice president of Coastal Federal Savings Bank.

James C. Hipp was a charter member of the Coastal Educational Foundation, Inc., which became the HCHEC in 1959. He was chair of the commission in 1964 and 1971. Hipp earned a bachelor's degree from Newberry College in 1940. He owns Carolina Furniture Company, Inc., in Loris, where he has worked for 47 years.

Elizabeth "Lib" Shaw has been a member of HCHEC since July 1985, and served as chair in 1990, treasurer in 1991, and was chair of the Finance/Budget/Audit Committee. Shaw has been active in the Coastal Council for Internationals and has chaired the Wheelwright Council for the Arts. She was employed at Canal Industries for 43 years.

The Horry County Higher Education Commission was established by the South Carolina General Assembly in 1959 to create new opportunities for the people of the Waccamaw-Grand Strand Region. Today, the HCHEC oversees a more than \$500,000 budget that, aside from scholarship and tuition assistance, funds faculty and staff development, research/development centers, and educational support centers. ~

Do you have a spare room?

If you have the extra space, you may want to consider having an international student share your home during the academic year. This is an excellent way to get acquainted with new students and experience international cultures firsthand, as well as have someone to share living expenses.

According to Geoff Parsons, coordinator of the international students and studies international program, a number of

international students planning to attend Coastal this fall need housing.

"Some of the students will come to Coastal and make the effort to secure housing; however, housing is at a premium and it would be unfortunate to lose any students because they couldn't find a place to live," he said.

For more information, contact Geoff Parsons at extension 2054.

Vanpool for commuter students continued

A vanpool/commuter program will be available for students of Horry-Georgetown Technical College and Coastal Carolina University who live in the Georgetown/Andrews area and are enrolled in courses or programs not offered on the Georgetown campuses of the two institutions.

The Coastal Rapid Public Transit Authority (CRPTA) van will provide round trip transportation, five days a week, beginning Monday, Aug. 23 and continuing through the semester. The van will leave Georgetown at 7 a.m. and depart from Conway no later than 4 p.m. depending on passengers' needs. The route begins at the Georgetown County Library on Cleland Street and follows Highway 701 to the Conway campuses.

The cost of the vanpool service is \$3

daily, or \$12.50 weekly. In order to keep fares at a reasonable level, a minimum of 10 students must ride in the 14-passenger van. Seats will be available on a first come, first-served basis.

Seats not filled by students or institutional employees will be available to the general public on a first come, first-served basis. If demand is great, a second van will be provided.

Two students will be needed to serve as driver and backup driver. These students will be compensated for driving and maintaining custody of the van.

For more information on becoming a passenger or driver, Call Bryan England at the Georgetown campus of HGTC at (803) 546-8406, or Stewart Strothers at Coastal Carolina's Georgetown campus at 546-7523.
