The day will come to a climax with a dinner (bring a covered dish) with delicacies from various countries, and drinks. Please announce in your classes and tell your friends. ROTEN GALLERIES

"Christmas is coming, the goose is getting fat, please put a penny in the old man's hat. If you haven't got a penny, a happenny will do, if you haven't got a happenny, God bless you." Wednesday, December 7, will afford you the opportunity to make your Christmas purchases without ever having to leave the campus. Not only will it be convenient, but it will be a unique chance to select original works of art with special meaning to you and to those who will receive them. Roten Galleries, a famous and reputable art dealer from Baltimore, Maryland, will be holding an exhibit and show here on campus in the Student Union Building. Included in the exhibit will be works of the masters as well as contemporary pieces and works by new artists not yet discovered. So make this a discovery year for Christmas gifts, join the Cultural Affairs Committee at the reception between 4:00 p.m. and 5:00 p.m. and select a gift that means more than usual. That's right, you have just read a commercial. The college receives a percentage of the sales, so support your college and enjoy your investment all year round.

POTENTIAL EXCHANGE PROGRAM

We have been approached by Conestoga College of Applied Arts and Technology regarding the possibility of a bed for bed faculty exchange during the 1978-79 academic year. Conestoga College is located in Kitchener, Ontario. If you have any interest in such an exchange, please notify Dr. Stanton in writing with a statement regarding courses you feel competent to teach so that he can inform the representative from Ontario of your intentions and the type of people who may be interested. If you have further questions, please contact the Academic Affairs Office.

VEHICLE UPKEEP

Anyone who uses a vehicle is totally responsible for it in every way. He is to keep it in working condition, to report any problems encountered with the vehicle, and to keep it clean and orderly. The Business Office cannot and will not clean up after people when a vehicle is returned. All trash and papers are to be collected and disposed of upon your return to the campus. Each vehicle is to have gasoline in it. Please fill the gas tank upon your return as near to the campus as possible. Enter all gasoline, oil, and repair purchases properly on the log, which is provided in every vehicle. The vehicle authorization form, keys, credit card, and credit card receipts are to be returned to the Business Office immediately (if you return in the evening, then the next morning). Leave the vehicle operational log in the vehicle with the clip board.

Please adhere to these simple requests and possibly our vehicle operation will improve.

SPECIAL CALLED FACULTY MEETING

A reminder of a special called meeting of the faculty scheduled for 12:30 p.m. Tuesday, December 6, in rooms 203-204 of the Academic Building.
