CONTRIBUTION  
TOWARD  
CONSTRUCTION  
OF AUDITORIUM

Dr. Edward M. Singleton announced on Tuesday the receipt of \$1,000,000.00 in contributions from the Kimbel family. This generous gift to Coastal Carolina College has been earmarked as funding towards the construction of an auditorium here on campus. Singleton said that, "This kind of facility is much needed in the area and will add not only to the educational and instructional programs here at the college, but will also enhance the cultural enrichment of local residents." This auditorium will be built with specific community and college needs in mind and hopefully will serve not only the Coastal College students, but community residents as well.

COMPUTER  
ASSISTED  
REGISTRATION

All faculty members should encourage students to see their advisors as soon as possible and complete registration for the spring semester, 1978. We need at least 70% participation by students in order to make course decisions in early December. Students who are not sure whether they are going to pass courses should definitely participate as though they will pass. Definite failures should sign up accordingly.

Priority drop/add for C.A.R. participants will be during the first two hours of registration on January 12 or on a priority basis during the late registration period, which ever is more convenient for the individual student.
