CHECK-OUT
PRIVILEGES AT
THOMAS COOPER
LIBRARY

The Thomas Cooper Library on main campus is now extending to regional campus faculty the same check-out privileges that apply to main campus faculty. Books checked out in person from the Cooper Library may be kept for a semester or longer and are not subject to overdue fines; however, these books are subject to immediate recall after the first three weeks. In order to check out books, a faculty member must present a validated Coastal ID card. (Validation stickers are available at the Student Affairs Office.) Cooper Library personnel will attach a coded library sticker to the ID the first time it is presented. Library stickers obtained prior to September 1977 must be replaced with new stickers if the faculty members are to receive full faculty privileges. For further information contact Mary Morgan.

COURIER SERVICE
FROM CAMPUSES TO
REGIONAL CAMPUS
OFFICE

Any person on our campus who is driving a university vehicle on an authorized trip to Columbia please stop by Dr. John J. Duffy's Office and pick up any materials which may be there including books from the intra-library loan service. By our estimate there is a vehicle from our campus up there on the average of two or three times a week. We would like to try this for a while. Some campuses are already doing this on a regular basis.
