MEDIA  
CENTER

The Media Center will be closed on Monday, May 2, and Tuesday, May 3. All faculty members are urged to have all printing needs taken care of this week. Also, all A-V equipment must be returned by Friday, May 6, for annual inventory.

LIBRARY

The Library has written to all four-year institutions in South Carolina, the major four-year institutions in North Carolina and Georgia and received college catalogs from these institutions. This will aid in transferring credits and evaluating transcripts, as well as counseling students desiring to finish their college careers elsewhere. Annual reports for many major and minor corporations are arriving daily for use by faculty and students. They are located near the Xerox machine.

BOOKSTORE  
NEWS

Book orders for the fall semester are due May 2. Please consider seriously the books you plan to use. Keep in mind the price, the number needed, and who has to buy it.

ATHLETICS

Congratulations to our baseball team which recently won the District VI NAIA Championship. Our first District Championship ever (29 colleges in South and North Carolina). Our team will be seeded first in the District Tournament to be played in Sumter on May 7-10. Congratulations also to Craig Hawley who won the number one singles competition in the District last week. Craig goes on to Kansas City to compete in the National Tournament. Eddie Salley was one stroke away from the District Golf Championship. Coastal has enjoyed a great year in "Spring Sports."
