HONORS CONVOCATION APRIL 14

The College's first annual Honors Convocation has been scheduled for Tuesday, April 14, 1981, in the Kimbel Gymnasium from 1:00 - 2:30 p.m. This convocation, as recommended by the Student Affairs Committee of the Faculty Senate and endorsed by the Faculty Senate, replaces the annual awards banquet as the traditional College activity which will annually recognize the achievement of all students on the campus. A convocation committee, comprised of members from Student Affairs, Academic Affairs, and Commencement committees, is working on final arrangements for this program. All students who were previously recognized in the annual awards banquet will now be recognized in this convocation. The Honors Convocation will recognize two broad categories of student achievements: outstanding students in respective academic areas and awards of achievement or participation. Academic areas to be recognized include: Business Administration, Education, Interdisciplinary Studies, Humanities, Mathematics, Nursing, Physical Education, Science, Social and Behavioral Sciences, the traditional George C. Rogers Service Award, and the prestigious Faculty Award for General Excellence presented each year to that graduating senior so recognized by faculty vote. Participation and achievement awards will include Student Government, Campus Union, Student Media Publications, Intercollegiate Athletics, and honorary academic award in Alpha Mu Gamma, Phi Alpha Theta, and Omicron Delta Kappa. A general letter of invitation will be mailed to all nominated or to-be-honored students along with letters to parents of those students to be honored. Award presentations will be made by division-department deans or directors, advisors of organizations, and members of the administration.

All students and faculty are cordially invited to attend.
