S. C. CHAMBER ORCHESTRA PERFORMS OCT. 19

The 1981-82 Cultural Arts Series at USC-Coastal Carolina College will open Oct. 19 with a performance by the critically acclaimed South Carolina Chamber Orchestra, described by a Columbia critic as what "... may be the highest quality instrumental music organization in the Palmetto State."

All performances this year are scheduled for the new, \$3-million Wheelwright Auditorium at Coastal Carolina College.

From October through March, residents and visitors will be able to enjoy performances by a variety of artists: A Chamber orchestra, a world-famous choral group, an internationally recognized theatre of the deaf, an art exhibit, a symphony pianist, and one of America's favorite dance companies.

A ticket for the entire six-performance series is only \$12, due to subsidies by the college, the National Endowment for the Arts and the South Carolina Arts Commission.

In addition to the \$12 season ticket, which averages \$2 per performance, the following discounts are also offered: \$9 season ticket for members of the Community Concert Series or New York Theatre Series; \$9 for senior citizens; \$7 for educators; \$6 for all students; \$5 for faculty, staff, and students of Coastal Carolina College.

INTERNATIONAL FILM SERIES PREMIERES

Stanley Kubrick's futuristic classic, "A Clockwork Orange," will be the premiere film in the International Film Series, sponsored by the Coastal Carolina College International Club.

"A Clockwork Orange" won Academy Award nominations as the Best Picture and the Best Director. Directed by Stanley Kubrick, creator of "Dr. Strangelove" and "2001: A Space Odyssey," the film is a chilling, violent look at the future, based on the novel of the same name by Anthony Burgess Wilson. It stars Malcolm McDowell as the leader of a wild gang of English youth sometime in the near future.

Showings of the motion picture in Room 005 of the Fine Arts Building are scheduled for 1 p.m., 4 p.m., and 8 p.m. on Thursday, Oct. 15th, and at 2:30 and 8 p.m. on Friday, Oct. 16th.

Admission will be \$2 at the door, with proceeds going to the college international student program.
