Alma Mater
Coastal Carolina

We come to you to lead our search,
and learn to reach beyond ourselves –
below the earth, beyond the stars –
to form our dreams for better years.

Here, green and bronze in nature, light –
sweet pine forest that surround us,
ocean waters that sustain us –
reflect your standards that prepare us.

May we return in thought and care
to share your promise of enrichment,
and celebrate and sing our praise
for Coastal Carolina.

– Bennie Lee Sinclair

The Coastal Carolina University Alma Mater was written in 1994 by the late Bennie Lee Sinclair, the fifth poet laureate of South Carolina, to commemorate the first year of the institution's status as a university. The original score for the Alma Mater was written by Coastal Carolina University emeritus professor William R. Hamilton.
With an expansive list of film and television credits spanning for more than 20 years, Michael Kelly is perhaps best known for his four-time Emmy-nominated role as “Doug Stamper” in the critically acclaimed Netflix original series “House of Cards,” in which he starred all six seasons. Kelly can currently be seen in season 2 of Amazon Prime’s original series “Jack Ryan” alongside John Krasinski and Wendell Pierce. Kelly recently wrapped production on Billy Ray’s upcoming CBS All Access TV mini-series “A Higher Loyalty,” based on James Comey’s book of the same name. Kelly will star alongside Jeff Daniels, Holly Hunter, and Brendan Gleeson, among others.

In 2008, Kelly starred as Detective Lester Ybarra opposite Angelina Jolie and John Malkovich in Clint Eastwood’s “Changeling,” which premiered at the Cannes Film Festival and was distributed by Universal Pictures and Imagine Entertainment. For his performance, Kelly received a coveted spot as one of “Daily Variety’s 10 Actors to Watch.” That same year, Kelly starred in the HBO miniseries “Generation Kill,” which chronicled one Marine’s journey in the American-led assault on Baghdad in 2003.

On television, Kelly has had recurring roles on the hit shows “The Good Wife” and “Person of Interest.” He played the series regular role of Jonathan ‘Prophet’ Simms in “Criminal Minds: Suspect Behavior”; Terrence Brooks on “Law & Order: Criminal Intent”; and John Mosley on “Fringe.” Kelly also had the recurring role of FBI Agent Ron Goddard on “The Sopranos” and was a series regular on the USA network television series “Kojak” with Ving Rhames and Chazz Palminteri and the UPN action drama “Level 9.” He has also guest starred on numerous hit television shows, including “Black Mirror,” “Law & Order: Special Victims Unit,” “Law & Order: C.S.I. Miami,” “The Shield,” “Judging Amy,” “The Jury,” and “Third Watch.”

Kelly has performed in such plays as Arthur Penn’s production of “Major Crimes,” Theatre Studio’s “Miss Julie” as well as in a production of “In Search of Strindberg” staged in Stockholm, Sweden. He is a lifetime member of The Actor’s Studio.

Kelly, originally from Lawrenceville, Ga., graduated from Coastal Carolina University in 1992 with a bachelor’s degree in performing arts.
Treelee MacAnn served as a professor in the Department of Visual Arts at Coastal Carolina University starting in 1990 and earned the rank of professor in 2000. Her areas of expertise include all levels of printmaking, drawing, life-drawing, and design. Prior to teaching at CCU, she taught at Kendall College of Art and Design in Grand Rapids, Mich., from 1980-1990, where she held the rank of associate professor. MacAnn earned a Bachelor of Arts in printmaking from the State University of New York at Oswego in 1975 and earned Master of Fine Arts in printmaking and a minor in drawing and photography from Bowling Green State University in 1978.

In addition to her numerous solo exhibitions, her award-winning work has been featured in juried international, national, regional, and selected exhibits throughout her career.

A native of Rochester, N.Y., she grew up exposed to art in an environment with a rich tradition in the graphic arts and photography. While attending SUNY Oswego, she studied with the nationally known printmaker Thomas Seawell. It was there that she discovered that printmaking was her medium of choice. The discipline offers a variety of interesting processes and combined aspects of painting, drawing, and photography, which are all disciplines she enjoys working with.

In retirement, MacAnn plans to continue her work as a practicing artist.
The University Seal
The seal of Coastal Carolina University designates the founding year of the institution and associates the campus symbol, the Atheneum, with the coastal locale of the University. Bearing the Latin motto — Ex Libertate Veritas (from liberty, truth) — the seal refers to the Temple of Athene in ancient Athens where professors and students gathered. The Greek temple was named for Athena, the daughter of Zeus, who embodies wisdom and reason. The waves at the foot of the Atheneum acknowledge a diversified coastal environment encompassing a distinctive geography and history, a vital present, and an abundant future. The seal was commissioned by Trustee Oran P. Smith as a gift to celebrate the July 1, 1993, establishment of the University as an independent, public institution of higher education.

The University Logo
The identifying symbol of Coastal Carolina University captures the dynamic and traditional commitment of the University to teaching and learning. The Atheneum, constructed on the campus in 1966, is a recognized architectural symbol of a meeting place for persons engaged in literary and scientific pursuits. In the logo, the Atheneum is set against an undulating background that captures the energy and unbounded promise of the institution.

The University Medallion
As symbols of events and affiliations, medallions in academic regalia can be traced to religious orders during the Middle Ages. Since many orders, societies and universities used similar designs – a circle, cross, or an oval – the detailed artwork in the center of the medallion was adopted to differentiate each affiliation. Colleges and universities traditionally use ceremonial and commemorative medallions for formal occasions such as commencements, convocations, and inaugurations, when academic regalia is worn. To commemorate Coastal Carolina’s status as an independent university, the institution’s medallion was commissioned in 1994. The installation of President Ronald R. Ingle on Oct. 22, 1994, was the first time the Coastal Carolina University medallion was publicly displayed.

The University Mace
The University mace, the symbol of the Coastal Carolina University community, attaches significance to important events of the academic calendar. Commissioned by the Horry County Higher Education Commission, the mace was designed and crafted by silversmith Alfred D. Ward and presented to the University in the spring of 1997. The mace is carried during official convocations of the University by the senior member of the faculty. When not being used for a convocation, the mace is on display in the boardroom of the E. Craig Wall Sr. College of Business Administration.

The three-dimensional, 48-inch staff is topped with a 22-karat gold-plate model of the campus symbol, the Atheneum. Modified relief seals of the University and engraved lettering embellish the sterling silver cup. Supported by a base of solid walnut, the stem of the mace is adorned with sterling silver shells, reflecting the coastal location of the University. On the base of the stem is an engraved seal of the state of South Carolina, representing the University’s status as a public institution.

On the evening of July 23, 1954, a group of Horry County citizens met at the Horry County Memorial Library to discuss a daring proposal – the creation of a local college. These civic leaders were determined to improve the educational and economic profile of the area, and in less than two months – on Sept. 20 – Coastal Carolina Junior College held its first classes in the old Conway High School (enrollment: 53).

For its first four years, the new endeavor was sponsored by the College of Charleston. In 1958, Horry County voters approved a referendum levying a three-mill tax to fund the two-year college independently. Members of the college’s governing board, the Coastal Educational Foundation, personally pledged funds to meet financial shortfalls.

From the beginning, Coastal Carolina has maintained a close, reciprocal relationship with the surrounding region, which during the past half-century has advanced from a primarily agricultural district into a major Atlantic coast resort. In 1959, the state’s general assembly created the Horry County Higher Education Commission, a regulatory body to manage the college’s county tax money. For more than 50 years, the Coastal Educational Foundation, which concentrates on private fundraising, and the Horry County Higher Education Commission have worked in concert to guide the University’s endowment and fiscal policies.

In 1960, Coastal Carolina became a regional campus in the University of South Carolina (USC) system, the beginning of a 33-year affiliation. (The deal was finalized at the Chat & Chew restaurant in Turbeville, halfway between Conway and Columbia.) The following year, a site was chosen for a permanent campus.

The traditional Georgian architecture of the first campus structure, now the Edward M. Singleton Building, set the style for the new campus when it was completed in 1963. Enrollment was 110 that year, and it increased steadily during the 1960s. The present Clark and Marcia Parker Athenium Hall Alumni Center was built in 1966, featuring the trademark symbol of the institution. In 1975, USC Coastal Carolina College awarded its first four-year bachelor’s degrees, and the first residence halls opened in 1987.

By the end of the 1980s, enrollment had reached 4,000, and there were 175 full-time faculty members. In view of sustained growth and obvious potential, many supporters of the college believed that the time had come to consider leaving the USC system. In 1991, the Horry County Higher Education Commission voted to seek legislative approval to establish an independent Coastal Carolina University. This bold move, a watershed event in our history, was officially accomplished in 1993 when Gov. Carroll Campbell signed the bill on the steps of the Edward M. Singleton Building.

Coastal Carolina’s new status as an independent state university set the stage for a new era of growth and achievement. During the next decade, graduate courses were offered for the first time; new academic and residence buildings were added; the faculty increased in number and distinction; and the institution began attracting an increasingly diverse and gifted community of students.
In September 2003, Coastal Carolina University won its inaugural football game in the brand-new Brooks Stadium. A founding member of the Big South Conference, the Chanticleers (our mascot, derived from *The Canterbury Tales*) have a proud history in 19 sports, winning the conference’s Sasser Cup a total of 11 times.

In 2004, CCU celebrated its 50th anniversary. Enrollment reached 7,000 students, and the campus was expanding significantly, with properties now situated across U.S. 501 and S.C. 544 as well as its splendid 1,105-acre ocean research site on Waties Island.

Under the administration of President David A. DeCenzo, CCU’s leadership has successfully held down costs while advancing the University’s academic progress.

For two years (2012 to 2014), tuition for in-state undergraduates did not increase, even during a significant building program. This was achieved as a result of careful long-range planning, augmented by a local 1-cent sales tax for education-related construction. Enrollment is now more than 10,400 students.

In 2014, CCU established its first doctoral program, in coastal and marine systems science. The Chanticleer baseball team won the NCAA College World Series on June 30, 2016, the first national title for CCU. On July 1, 2016, the Chanticleer athletic programs officially joined the Sun Belt Conference. CCU was named a Purple Heart University in 2017, recognizing the University’s long record of support for the military. As of 2018, CCU offers two Ph.D. programs in marine science: coastal and marine systems science and education.
ACADEMIC REGALIA AND PROCESSION

The custom of wearing a distinctive dress for academic ceremonies dates back to the Middle Ages, when people dressed in keeping with their class: nobility, clergy, or third estate. The faculties of American universities have worn distinguishing costumes since the beginning, in 1636, at Harvard University.

Today, academic regalia is worn in the United States by persons taking part in academic ceremonies in general, at commencement exercises, at baccalaureate services, and at various inauguration ceremonies, such as the installation of a president, the conferring of an honorary degree on a distinguished guest, or the laying of the cornerstone of a building.

The institutions awarding degrees, the nature of the degrees, and the major fields of knowledge represented by the degrees can be readily identified by the designs and colors used.

The baccalaureate gown is the simplest in design. Usually black, it is distinguished by a wide yoke with shirring in front and back and by open flowing sleeves that end in a point. The baccalaureate gown is worn closed.

The master's gown is similar to the baccalaureate gown except that it has a closed or glove sleeve that is open at the wrist. The master's gown has no other trim and may be worn either open or closed.

The doctoral gown is full flowing and has large bell-shaped sleeves. It is trimmed with velvet panels down the front and has velvet chevrons on the sleeves. While black is still the predominant color for doctoral gowns, the trim may be in a color that denotes the wearer's discipline or the color of the gown may denote the wearer's university.

The square Oxford cap, or mortarboard, of serge or broadcloth with a stiff crown is traditionally black. Once the baccalaureate degree has been conferred, the tassel is worn on the left side. The tassel is usually black, but may be of a color denoting the major field of knowledge for bachelor's and master's degrees and gold for doctoral degrees.

Candidates who are eligible to be recognized for graduation with honors wear the embroidered official white honor stole with the University Seal at graduation. Also, students who are members of the HTC Honors College, the Wall Fellows, the Jackson Scholars, the Dyer Fellows, the Swain Scholars, or other selected University honors programs are eligible to wear the University stole.

The greatest degree of symbolism is represented by the hood. The size and shape of the American hood mark the college degree attained by the wearer. The lining of the hood is indicative of the college from which the degree was granted. If more than one color is used, one color is generally arranged as a chevron upon the other. The velvet trim of the hood indicates the major field of knowledge.

Most academic ceremonies begin and end with an academic procession. At Coastal Carolina University, candidates for degrees are first and process in the order in which the degrees will be bestowed, followed by the faculty, with senior professors first, and the platform party.

The list of candidates for graduation was prepared before final grades were reported, and inclusion herein does not constitute evidence of graduation. The listing of a name in this program should not be construed as an indication that the person will, in fact, receive a degree from Coastal Carolina University at this commencement. Conversely, the absence of a student’s name from this list does not necessarily mean that the person will not be awarded a degree.

Honors for degree candidates are based on the cumulative grade point average on file at the end of the previous term. Honors to be printed on the diplomas will be based on the final Coastal Carolina University cumulative grade point average.

Where indicated with an icon (°), the individual has received the Trustee Award.

Where indicated with an icon (†), the individual has completed all requirements for multiple degrees.

Engrave Your Legacy – Alumni Bricks
Alumni Relations extends sincere congratulations to Coastal Carolina University’s 2020 graduates.

Recognize your new Coastal Carolina University graduate with a lasting imprint on campus. The Alumni Walk, which leads up to the recently renovated Clark and Marcia Parker Atheneum Hall Alumni Center, is being enhanced with a limited number of special bricks engraved with the names of alumni and friends. Money raised through the brick campaign will support CCU’s Alumni Endowed Scholarship for students.

To order a brick, visit ccubricks.com.

For more information, please call Alumni Relations at 843-349-ALUM (2586).

Stay in touch!
Visit coastal.edu/alumni to keep your address up to date, renew your membership, and find out about events in your area. CCU alumni are located around the country and are ready to welcome you!

Alumni Relations invites you to stay involved through events and programs throughout the year. Be sure you are keeping your information updated any time you relocate. Our goal is to keep you informed of CCU happenings locally and on campus. As you graduate today, your involvement is key to a strong alumni network. Your participation increases the value of your degree from Coastal Carolina University.

Alma Mater
Coastal Carolina

We come to you to lead our search,
and learn to reach beyond ourselves –
below the earth, beyond the stars –
to form our dreams for better years.

Here, green and bronze in nature, light –
sweet pine forest that surround us,
ocean waters that sustain us –
reflect your standards that prepare us.

May we return in thought and care
to share your promise of enrichment,
and celebrate and sing our praise
for Coastal Carolina.

– Bennie Lee Sinclair

The Coastal Carolina University Alma Mater was written in 1994 by the late Bennie Lee Sinclair,
the fifth poet laureate of South Carolina, to commemorate the first year of the institution's status as a university.
The original score for the Alma Mater was written by Coastal Carolina University emeritus professor William R. Hamilton.
