WACCAMAW RECORDS

A Statement of Purpose

by

Ashley P. Cox, Jr. and Catherine H. Lewis

Both of the partners in this enterprise have been engaged in one way or another in research in Horry County (SC) history for more than 30 years, so we know from experience the difficulty faced by those who try to trace families who lived in the Waccamaw region. Now that both of us are retired, we have decided to join forces to make Horry County records more readily available for family research.

Ashley Patterson Cox, Jr., whose parents migrated from Horry County to Georgia more than sixty years ago, has had a long career in journalism and child care. He was most recently administrator of the Georgia Industrial Home in Macon. For years he has accumulated records related to the Cox, Todd, Patterson, Marlow and related families and maintained an extensive correspondence with others similarly engaged.

Catherine Heniford Lewis was for nearly 28 years county librarian (i.e., director) of the Horry County Memorial Library headquartered in Conway, SC. A charter member of the Horry County Historical Society, she has been associated for many years with The Independent Republic Quarterly, established in 1967 by the Society, as an editor and contributor. She has written and lectured frequently on the history of the county and has assisted many people to get family research in Horry County started.

We will be happy to hear from searchers about their needs, but we have begun with the following:

1. OBITUARIES FROM HORRY COUNTY NEWSPAPERS (1861-1914) Abstracts

2. HORRY COUNTY MARRIAGES ABSTRACTED FROM NEWSPAPERS (1861-1912)

3. HORRY DISTRICT COMMISSIONER OF LOCATION PLAT BOOK A, B, C, 1802-1831

4. INDEX TO THE 1860 CENSUS OF HORRY COUNTY

5. WORLD WAR I DRAFT REGISTRATIONS, HORRY COUNTY, SC [abstracts]

6. HORRY COUNTY (SC) CEMETERY RECORDS, V. 1 (Kingston Lake to Waccamaw River)

7. HORRY COUNTY (SC) CEMETERY RECORDS, V. 2 (Hwy 701 to Kingston Lake)

Each publication costs $15.00 plus $2.00 postage and handling each. We will be happy to have your orders and your comments, including recommendations for future publications. Send order with check to

PREFACE

This is the seventh WACCAMAW RECORDS publication, designed like the others to help those who are engaged in family research in Horry County, SC.

This is the second of a series devoted to cemetery records, always an excellent source of information. It is our intention to cover the county eventually, but for this publication we have focused on an area bounded by Hwy 9 across the top and by Kingston Lake and Hwy 701 north of Conway.

Though frequently difficult, working in the cemeteries has been enormously gratifying to us. The field work has been done by Cathryne and Ashley Cox and Catherine Lewis. We have either cataloged from scratch, or verified and updated previous catalogs.

We would like to express our gratitude to Mrs. Laura Quattlebaum Jordan who gave the assignment back in the 1970s and to the students who made the original catalogs of many of these old burial sites. We have acknowledged the student by name, if known. Mrs. Jordan placed those records in the Horry County Memorial Library, where we have had access to them. Although we have taken none of them for granted, it saved time to have them to check.

Some catalogs were done by members and friends of the Horry County Historical Society and we are grateful to them also. These have also been verified and updated.

We have elected to give directions for finding the cemeteries, following this list with an alphabetical list of names, each identifying the cemetery in which it was found. We debated this format, knowing that it would be helpful to have cemeteries listed separately so that the researcher can associate families, etc. These are available from WACCAMAW RECORDS at the cost of $1.00 a page. Write to us if you would like a copy of an individual cemetery catalog.

If your geographical area of interest is not included in this publication, write to us. We may be able to speed up the work of checking cemeteries in places of most interest.

Cemeteries and Their Locations

Anderson Cemetery is located off Loris-Conway highway (701), with sign pointing clearly to road going to the cemetery. Catalogued in May of 1989 by Catherine H. Lewis, Cathryne W. Cox and Ashley P. Cox, Jr.

R. M. Anderson Cemetery at Bug Swamp in the Good Hope Community, Rt. 4, Conway. A small group of stones, this cemetery is across the road from the James G. Straub residence. As you leave Good Hope Church, take SR323 past the Hamilton Cemetery. Turn right onto a dirt road. The Cemetery is within sight on the left of the road.

Booth Cemetery is beside SR19 near Dorman's Crossroads, junction of SR19 and SR97. Catalog was made by Catherine H. Lewis and Lessie Heniford Edge 7 September 1989.

Boyd Cemetery, see Cushion Swamp Cemetery

Bug Swamp Cemetery is located in the front yard of the James G. Straub residence, Route 4, Conway, in the Good Hope area. A bronze plaque mounted on a brick monument memorializes the Watts family. The Booth stones are nearby. A couple of old and illegible wooden markers are across the yard. The R. M. Anderson cemetery is located across the road, but, according to our information, is not a part of Bug Swamp. Cataloged by Catherine H. Lewis and Lessie Heniford Edge 7 September 1989.

Cushion Swamp Cemetery, often called Boyd Cemetery, is located one mile south of Loris off Hwy 701. There is no sign, but the road turns right and follows the edge of the swamp.

Edge Cemetery is located on the farm of H. Bric Hardwick, SR65, not far from Maple Church and Thompson Cemetery on Maple Swamp. Cataloged by Catherine H. Lewis and Lessie Heniford Edge 7 September 1989. This graveyard was very close to a pit being dug to supply fill dirt.

Fox Branch Cemetery is in the Good Hope section on SR19 near intersection with SR97. It is dedicated to the memory of Bruce T. Shannon.

Good Hope Baptist Church and cemetery are at the intersection of SR97 and SR323. Catalogued originally by Andy Jackson, updated by Catherine H. Lewis, Cathryne W. Cox and Ashley P. Cox, Jr. on 26 February 1990.

Hamilton Cemetery was established in 1889. Enter off SR323, west of Good Hope. It is maintained by Good Hope Baptist Church.

Long Cemetery is located off Long Ave (ext.) about 3/4 of a mile along a lane to the right, going out of town. The property is owned by Woodrow Long. Both whites and blacks are buried there, but only one legible stone remains.

New Home Baptist Church Cemetery is located on SR911 just off SR139. It was cataloged 17 October 1989 by Catherine H. Lewis.

Patterson is the city cemetery of Loris, located off Hwy 701 south of town. It surrounds the old Patterson family burying ground. This cemetery was originally catalogued by Alan H. Lewis, Catherine H. Lewis, and others in 1976. It was updated in March 1990 by Ashley and Cathryne Cox and Catherine H. Lewis.

Pond Field Cemetery is located in the woods off Long Ride Road. Take Hwy 66 from Shell north and turn left on to Long Ride Road. Apparently there were 15-20 graves there originally and now only one stone is left.

Poplar Methodist Church Cemetery is located 8 miles north of Conway on Hwy 701. The catalog was prepared by Linda Cartrette, with additions by Terry Collins and Danny Cummings. It was checked by Catherine H. Lewis, Ashley P. Cox, Jr. and Cathryne Word Cox, May 1989

Thompson Cemetery is the burial ground for Maple Baptist Church. It is located on SR45 north of Maple. The cemetery was cataloged in 1990 by Cathryne and Ashley P. Cox, Jr. and Catherine H. Lewis

Woodlawn Cemetery, given by C. W. Hucks, 1947, is off SR323, near Good Hope, and is maintained by that church. It was cataloged by Catherine H. Lewis in 1989.

h/o husband of  d. died

Titles of respect (Rev., Mrs., etc.) are enclosed in curves. Other information on the tombstone is enclosed in square brackets. If a wife’s relationship is not spelled out on the stone, but may be inferred with reasonable certainty from a double stone or by relative position in the cemetery, it is followed by a question mark. Occasionally, perhaps because families chose to rebury a relative in another cemetery, the listing in an original catalog cannot be found. In such cases there is a question mark before the name of the cemetery.
