Both of the partners in this enterprise have been engaged in one way or another in research in Horry County (SC) history for more than 30 years, so we know from experience the difficulty faced by those who try to trace families who lived in the Waccamaw region. Now that both of us are retired, we have decided to join forces to make Horry County records more readily available for family research.

Ashley Patterson Cox, Jr., whose parents migrated from Horry County to Georgia more than sixty years ago, has had a long career in journalism and child care. He was most recently administrator of the Georgia Industrial Home in Macon. For years he has accumulated records related to the Cox, Todd, Patterson, Marlow and related families and maintained an extensive correspondence with others similarly engaged.

Catherine Heniford Lewis was for nearly 28 years county librarian (i.e., director) of the Horry County Memorial Library headquartered in Conway, SC. A charter member of the Horry County Historical Society, she has been associated for many years with The Independent Republic Quarterly, established in 1967 by the Society, as an editor and contributor. She has written and lectured frequently on the history of the county and has assisted many people to get family research in Horry County started.

We will be happy to hear from searchers about their needs, but we have begun with the following:

1. OBITUARIES FROM HORY COUNTY NEWSPAPERS (1861-1914) Abstracts
2. HORY COUNTY MARRIAGES ABSTRACTED FROM NEWSPAPERS (1861-1912)
3. HORY DISTRICT COMMISSIONER OF LOCATION PLAT BOOK A, B, C, 1802-1831
4. INDEX TO THE 1860 CENSUS OF HORY COUNTY
5. WORLD WAR I DRAFT REGISTRATIONS, HORY COUNTY, SC [abstracts]
6. HORY COUNTY (SC) CEMETERY RECORDS, V. 1 (Kingston Lake to Waccamaw River)
7. HORY COUNTY (SC) CEMETERY RECORDS, V. 2 (Hwy 701 to Kingston Lake)
8. HORY COUNTY (SC) CEMETERY RECORDS, V. 3 (Hwy 701 To Little River)

Each publication costs $15.00 plus $2.00 postage and handling each. We will be happy to have your orders and your comments, including recommendations for future publications. Send order with check to

1991
This is the eighth WACCAMAW RECORDS publication, designed like the others to help those who are engaged in family research in Horry County, SC.

It is the third of a series devoted to cemetery records, always an excellent source of information. It is our intention to cover the county eventually, but for this publication we have focused on the area above Hwy 9 between Little River and Hwy 701 north of Loris.

Though frequently difficult, working in the field has been enormously gratifying to us. The field work has been done by Cathryne and Ashley Cox and Catherine Lewis. We have either cataloged from scratch, or verified and updated previous catalogs.

We would like to express our gratitude to Mrs. Laura Quattlebaum Jordan who gave the assignment back in the 1970s and to the students who made the original catalogs of many of these old burial sites. We have acknowledged the student by name, if known. Mrs. Jordan placed those records in the Horry County Memorial Library, where we have had access to them. Although we have taken none of them for granted, it saved time to have them to check.

Some catalogs were done by members and friends of the Horry County Historical Society and we are grateful to them also. These have also been verified and updated.

Directions for finding the cemeteries are provided, as well as a map showing their locations. These are followed by an alphabetical list of names, each identifying the cemetery in which it was found. We debated this format, knowing that it would be helpful to have cemeteries listed separately so that the researcher can associate families, etc. These are available from WACCAMAW RECORDS at the cost of $1.00 a page. Write to us if you would like a copy of an individual cemetery catalog.

ABBREVIATIONS

b/o brother of  b. born
d/o daughter of  m. married
h/o husband of  d. died
s/o son of  v/o wife of
s/o sister of

Titles of respect (Rev., Mrs., etc.) are enclosed in curves. Other information on the tombstone is enclosed in square brackets. If a wife's relationship is not spelled out on the stone, but may be inferred with reasonable certainty from a double stone or by relative position in the cemetery, it is followed by a question mark. Occasionally, perhaps because families chose to rebury a relative in another cemetery, the listing in an original catalog cannot be found. In such cases there is a question mark before the name of the cemetery.
