PREFACE

This is the fourteenth WACCAMAW RECORDS publication, designed like the others to help those who are engaged in family research in Horry County, SC.

It is the ninth devoted to cemetery records, always an excellent source of information. It is our intention to cover the county eventually, but for this publication we have focussed on the area which roughly correspond to Bucks Township, south of Conway, west of the Waccamaw River. Fifteen cemeteries are included.

Though frequently difficult, working in the field has been enormously gratifying to us. The field work has been done by Cathryne and Ashley Cox and Catherine Lewis. We have either cataloged from scratch, or verified and updated previous catalogs. We cannot always establish the names of cemeteries to our satisfaction, but by locating them on the map we hope to avoid confusion.

Directions for finding the cemeteries are provided, as well as a map showing their locations. These are followed by an alphabetical list of names, each identifying the cemetery in which it was found. We debated this format, knowing that it would be helpful to have cemeteries listed separately so that the researcher can associate families, etc. These are available from WACCAMAW RECORD at the cost of \$1.00 a page. Write to us if you would like a copy of an individual cemetery catalog.

We would like to express our gratitude to the late Mrs. Laura Quattlebaum Jordan whose students made the original catalogs of many old burial sites back in the 1970s. We have acknowledged the student by name, if known. Mrs. Jordan placed their work in the Horry County Memorial Library, where we have had access to them. Although we have taken none of them for granted, it has saved time to have them to check.

Some catalogs were done by members and friends of the Horry County Historical Society and we are grateful to them also. These have also been verified and updated.

WACCAMAW RECORDS

A Statement of Purpose

by Ashley Patterson Cox, Jr., and Catherine H. Lewis

Both of the partners in this enterprise have been engaged in one way or another in research in Horry County (SC) history for more than 30 years, so we know from experience the difficulty faced by those who try to trace families who lived in the Waccamaw region. Now that both of us are retired, we have joined forces to make Horry County records more readily accessible for family research. The project begun in 1988, now has the following publications available.

1. OBITUARIES FROM HORRY COUNTY NEWSPAPERS (1861-1914 [ABSTRACTS])
2. HORRY COUNTY MARRIAGES ABSTRACTED FROM NEWSPAPERS (1861-1912)
3. HORRY DISTRICT COMMISSIONER OF LOCATION PLAT BOOK a, b, c., 1802-1831
4. 1860 CENSUS OF HORRY COUNTY, SOUTH CAROLINA. INDEX.
5. WORLD WAR I DRAFT REGISTRATIONS, HORRY COUNTY, SC [ABSTRACTS]
6. HORRY COUNTY (SC) CEMETERY RECORDS, V. 1 [Kingston Lake to Waccamaw River]
7. HORRY COUNTY (SC) CEMETERY RECORDS, V. 2 [Hwy. 701 to Kingston Lake]
8. HORRY COUNTY (SC) CEMETERY RECORDS, V. 3 [Hwy 701 to Little River]
9. HORRY COUNTY (SC) CEMETERY RECORDS, V. 4 [Loris west to Little Pee Dee River above Hwy #9]
10. HORRY COUNTY (SC) CEMETERY RECORDS, V. 5 [Hwy 90 from Conway to NC line]

13. HORRY COUNTY (SC) CEMETERY RECORDS, V. 8 [Dog Bluff Township and surrounding area]
14. HORRY COUNTY (SC) CEMETERY RECORDS, V. 9 [Bucks Township, south of Conway, west of Waccamaw River]

Each publication costs \$15.00 (plus \$2.00 postage and handling each). We will be happy to have your orders and your comments.

ABBREVIATIONS

b/o	brother of	b.	born
d/o	daughter of	m.	married
h/o	husband of	d.	died
s/o	son of	FD	Funeral Director's marker
sis.o	sister of		
w/o	wife of		

Titles of respect (Rev., Mrs., etc.) are enclosed in curves. Other information on the tombstone is enclosed in square brackets. If a wife's relationship is not spelled out on the stone, but may be inferred with reasonable certainty from a double stone or by relative position in the cemetery, it is followed by a question mark. Occasionally, perhaps because families chose to rebury a relative in another cemetery, the listing in an original catalog cannot be found. In such cases there is a question mark before the name of the cemetery.
