## KILPATRICK SPEAKS TO FULL HOUSE

The United States and the Soviet Union have to find a way to reduce the number of nuclear weapons, but a congressional nuclear freeze resolution is not the answer, syndicated columnist James J. Kilpatrick said Wednesday.

"The resolution is so wonderfully well-intentioned it's difficult to criticize," he said at a speech at Coastal Carolina College. Yet he called it "regrettable" that an accord with the Soviet Union should be directed by Congress.

Instructions at American arms negotiators in Geneva, Switzerland, should come from the executive branch of government, he said, not the legislative branch.

"This (reduction of nuclear weapons) is the overriding issue, not just before Congress, but for mankind and for civilization as we know it," Kilpatrick said.

Congress, the Supreme Court and potential presidential candidates were all topics of Kilpatrick's wide-ranging comments.

Kilpatrick's address was part of Coastal Carolina College's Kimbel Lecture Series. Sponsored by the Kimbel Trust, Coastal Carolina College, The Sun News and the Episcopal diocese of South Carolina, the series is designed to bring nationally recognized lecturers to the Waccamaw-Grand Strand region.

His column, "A Conservative View," appears in 476 newspapers, making Kilpatrick the most widely syndicated political columnist in the nation.

Kilpatrick predicted President Reagan would run again in 1984 and sized up his potential political opposition.

The front-running Democrats are all running as other candidates, Kilpatrick quipped.

Sen. John Glenn is running as former President Dwight Eisenhower, Gary Hart of Colorado thinks he's John Kennedy and former vice president Walter Mondale is campaigning as Hubert Humphrey, Kilpatrick said. Alan Cranston of California, he added, looks a lot like E.T.

Mondale is leading the pack of Democrats, but Kilpatrick predicted he wouldn't stay in that position long because his opponents were out to stop him. "Politics is a body contact sport," Kilpatrick said.

Sen. Fritz Hollings, D-S.C., expected to toss his hat in the ring this month, would make a promising candidate for vice president, Kilpatrick said.

The public will probably know whether Reagan will run again by Labor Day, he added.

Though noted for his political observations and reporting, Kilpatrick declined any political aspirations of his own. "When the feeling hits, I lie down until it goes away," he said.

## FACULTY/STAFF-ALUMNI GAME RESCHEDULED

The Faculty/Staff-Alumni game originally scheduled for April 21st has been changed to APRIL 25th. After realizing the conflict the faculty might have playing ball the 21st with the Honors Convocation that same evening, the alumni rescheduled the game.

Please contact Terry Barnett if you are interested in playing. Dr. Singleton and Dr. Barnett will be serving as coaches for the faculty team. In the past five years that this game has been played, the alumni have won 2 games and the faculty has won 3.

So CHANGE your calendars. Mark APRIL 25th - 4:30 p.m. - Coastal Softball field is the time and place for the 6th Annual Faculty - Alumni Softball Game. (If it should rain, the game will be played the next day, April 26)

## CAMPUS SECURITY INFORMATION

The Campus Services Committee would like to announce that the beeper system and beeper phone numbers, 626-6963 and 248-6963, are no longer in use. If you are on campus, you may contact a security guard after 5 p.m. by dialing the guards' booth (ext. 260) or by coming to Kimbel Library during its operating hours to have a staff member page a guard via two-way radio. There is no direct line to the guards' booth which means that after 5 p.m. Monday-Friday and all day Saturday and Sunday the booth cannot be reached from off campus. However, by dialing the pay phone directly behind the guards' booth (347-6713) it may be possible to contact a security guard. The best times to reach a guard are at 5 p.m. Monday-Friday, when one comes on duty and at 4 p.m. Saturday and Sunday, when the shift changes.
