PACIFIC INSTITUTE VIDEO TAPES

Coastal has a set of video tapes from Pacific Institute being used as a motivation and retention tool for our students. The tapes cover such topics as decision making, goal setting, and personal motivation and have been successfully used with some University 101 classes and other classes. Now, there's an opportunity to receive training in the use of the tapes and how to better utilize them with our students. Mr. Rick Bruce, a representative from Pacific Institute, will be on campus December 12, 13, and 14 for this training. If you would like to attend these training sessions, please contact Dr. Robert Squatriglia.

FACULTY/STAFF ACTIVITIES

Dr. Tom Touzel, Education, gave a presentation in Columbia on November 5 to the South Carolina Council of Teachers of Mathematics. In addition to his talk on the relationship of language and mathematical knowledge, he also had an article published on this topic in the Fall Journal of the Council.

Mr. Larry Carr, Baseball Coach, held a baseball clinic on Sunday, December 4, in Gloucester, New Jersey. Basic field, throwing, pitching, and hitting mechanics were taught to the players attending this clinic.

Ms. Brenda Cox, College Advancement Office, has been appointed as secretary/recorder to the Horry County Higher Education Commission.
