## FULBRIGHT PROGRAM FELLOWSHIPS FOR UNIVERSITY ADMINISTRATORS

Administrators at four-year colleges and universities are eligible to apply for three fellowships for an exchange program with the United Kingdom. The fellowships are through the Fulbright Program, which is funded by the United States Information Agency. Comparative projects which are not based in the central administration of British universities and projects which are research-oriented and not primarily for purposes of administrative exchange will not be considered. Particularly welcome are proposals which have pragmatic bearings on issues of common concern to administrators in the United States and United Kingdom. Applications, including references, must be received at the CIES by March 15, 1985. Application forms may be obtained by writing to:

Council for International Exchange of Scholars  
Attn: US/UK Academic Administrators Program  
11 Dupont Circle, Suite 300  
Washington, D.C. 20036

Or call Alan Campbell at 202-833-4969.
