YEARBOOK RATES REDUCED FOR FIRST 100

The 1985 yearbook needs your help to be printed in 1985. Unless a sufficient (200+) additional books are purchased prior to March 4, there will be no contract authorized to publish the book. Through arrangements of Elinor Miller and Bob Squatriglia, the usual \$20 price to faculty and staff has been reduced to \$15 for the first 100 to purchase their book. You can, therefore, buy your book at a reduced rate of \$15 - rather than \$20 until the subsidy of \$5 per book is exhausted. The special issue of the Chanticleer (Wednesday) summarizes the situation. Please urge students, faculty and staff to purchase a book as soon as possible. The 1985 Atheneum is an outstanding publication and probably the best in 10+ years on the campus. Please support a college tradition, buy a yearbook today. Look for the sale tables in each building or come to the Student Center.
