Make a difference this holiday season Coastal faculty, staff and students have several opportunities to make contributions to the children and families in our community who need assistance this holiday season.

CCU's Student Government Association is sponsoring the 2007 Angel Tree Project and would like to invite the Coastal community to participate. Approximately 400 children in the surrounding area, identified by the Salvation Army, will be provided with one holiday present they normally would not receive. Coastal faculty and staff members, organizations, clubs and students are asked to stop in the Student Center, remove an angel from the tree on the large bulletin board in the lobby, purchase a gift and turn it in (unwrapped) to the Student Center by Monday, Dec. 10.

Coastal Productions Board is partnering with the fraternity Phi Beta Sigma and sorority Zeta Phi Beta to collect gifts for the 20 boys and 20 girls (ages 6 to 16) who currently reside at the Horry County Shelter Home. All students, faculty and staff members are invited to purchase \$10-\$20 gifts and drop them off, unwrapped, in the Office of Student Activities & Leadership, Student Center Room 106, or in the offices of either Quinnesha Winters or Antonio Pee, both located in Student Center Room 206, by Dec. 20

Finally, a canned food drive is being sponsored by S.T.A.R. (Students Taking Active Responsibility). Your donation of canned food items may be dropped off in the box located in the Student Center Lobby or in the S.T.A.R. Office, located in Student Center Room 206.
