USC-COASTAL CAROLINA COLLEGE

THE FOLLOWING STATEMENT WAS ISSUED BY CHANCELLOR EAGLIN DURING A NEWS CONFERENCE HELD ON CAMPUS WEDNESDAY, APRIL 9.

As Chancellor of Coastal Carolina College, I regret to announce that Bobby Richardson has resigned as head baseball coach to accept a position with Liberty University in Lynchburg, Virginia. Bobby and I have had discussions as late as 7:30 this morning concerning the college's wish for him to continue as head baseball coach. Coach Richardson has indicated that he will continue his duties at Coastal and remain with his team through the end of the current baseball season.

Coastal Carolina College has been extremely fortunate to have Bobby as head baseball coach for the past two years. He has brought a degree of professionalism to our baseball program which will help us as we develop in the NCAA. We are grateful to him for the contributions he has made to the college and to our sports program.

We fully understand Bobby's desire to move into this new position. In short, Liberty University made an offer he could not refuse. It will be difficult to replace Bobby. He has developed such a close rapport with his team, with the college, and with the community. His commitment to his players and the program is shared by me, and we will make every effort to ensure that baseball will be a premier sport at Coastal Carolina College.

It is with regret that we accept his resignation. Bobby, on behalf of the college community, I'd like to take this opportunity to congratulate you on your appointment and wish you success.
