## "SHOAH" TO BE SHOWN APRIL 27-29

"SHOAH" a documentary about the Holocaust as seen through the eyes of survivors, perpetrators, and bystanders, will be shown in three parts at the college on Monday, Tuesday, and Wednesday, April 27-29 in the Fine Arts Building from 7:30 to 10:30 p.m.

"SHOAH" contains none of the horrifying images one would expect from a film about the Holocaust. Instead, it presents an assemblage of witness whose combined testimony amounts to one of the most shattering human documents ever recorded. The film is nine-and-a-half hours long; however, since there is no storyline, it is not necessary to see the entire film to appreciate its subject matter.

The program is co-sponsored by the college and Temple Emanu-EL of Myrtle Beach. It is free and open to the public. For more information, contact the Public Relations Office.
