"The Whole Is Greater Than The Sum of It's Parts"

"The Whole Is Greater Than The Sum Of It's Parts," a conference sponsored by the Office of Continuing Education, will be held on campus October 30 and 31.

Approximately 650 people from throughout the United States and Canada are expected to participate. Since this will be the first visit to our campus for many of these people, it would be appreciated if faculty and staff would assist those needing directions to the registration area in Wheelwright Auditorium. Someone will be stationed there at all times during the conference to give further information.

Founders Day Nominees Sought

Founders Day is an annual celebration honoring individuals who have contributed to the historic and academic significance or to the physical development of Coastal Carolina College. Our next celebration is set for February 15.

Billy Alford, Chairman of the Horry County Higher Education Commission, and Jimmy Johnson, President of the Coastal Educational Foundation, Inc, are now accepting nominations for special recognition. Coastal faculty and staff are invited to submit names of honorees to the Chancellor's office.

Coastal Wellness Program for Faculty and Staff

Health Tip for the Week:

One out of four auto deaths is caused by ejection and could be totally prevented. If you have small children, protect them in impact-resistant auto restraints. And protect yourself, always use seat belts.

Halloween Hike Set for Friday

The Wellness Program is holding a "Halloween

Hike" Friday, October 30. Walking groups will leave at 11:45 a.m. and 12:45 p.m. for a two-mile hike. Please plan to arrive early to register. Apple bobbing and prizes for costumes will be held after the walk.

"Halloween Hike" points will be based on a percentage of participants from each academic school or department. Winning participants will receive a trophy and a luncheon. Get a group together and join the walk!

Last Week of Fitness Testing

Free fitness testing for faculty and staff will continue each Tuesday and Thursday, from 2:30-3:30 p.m. until the end of October.

A fitness test includes evaluation of blood pressure, body fat, flexibility, strength and cardiovascular fitness level. You will be given an exercise prescription based on your test results.

For additional information or to make an appointment, call Allison Hunt, ext. 2804.

Walt Disney World Representative to be at Coastal

Kent Phillips of Walt Disney World will be on campus Wednesday, November 18th for a presentation and interviews with students who are interested in the Walt Disney World Internship program.

Through this program, students have the opportunity to earn six hours of college credit by working at Walt Disney World from January to May. Students interested in participating must be sophomores or higher and have a minimum 2.75 GPR.
