The flag, which was acquired during a recent trip to the U.N., was presented by club president, Rika Shekhar as a symbol of peace and friendship. Coastal Wellness Program For Faculty and Staff

Safety tip: Whether you drink or not is strictly your own business, but, if you, or any other individual drinks too much and then drives, that becomes everyone's business. When you drive after drinking, you may endanger other people and their property.

Even if you don't drink, you must still be concerned about drivers who do. About one-half of those killed each year in alcohol-related traffic accidents are not the ones who have been drinking!
