A schedule of events for the Spring Arts Festival is attached to *This Week*. Festival events are open to the public. All events are free with the exception of the Oakland Ballet performance.

For more information about Spring Arts Festival events, contact the office of humanities and fine arts, ext. 2421.

Oakland Ballet To Perform At Coastal

The Oakland Ballet, one of the West's major professional ballet companies, will perform at Coastal, Thursday, April 5 at 8 p.m. in Wheelwright Auditorium.

Oakland Ballet was founded in 1965 by Ronn Guidi. During the past two decades, the company has earned an outstanding reputation for the preservation of ballet masterworks from the Diaghilev and early 20th century repertoires and the presentation of innovative contemporary choreography.

Pursuing an artistic course emphasizing what is unique, innovative and historically significant, The Oakland Ballet has set standards of excellence and daring which rival larger companies. The Oakland Ballet is recognized nationwide for its diverse repertoire, ranging from 20th century masterpieces to works by contemporary choreographers. In response to the demands of this varied repertoire, Oakland Ballet dancers display a distinctive style that is freshly classical, reflecting energy, enthusiasm and a dramatic flair.

Oakland Ballet Artistic Director Ronn Guidi, who believes teaching is as great an art as dancing, studied ballet for ten years under the late Raoul Pause, director of the Ballet

Players Guild of Oakland. From 1958-61, Guidi lived in Italy, Germany and Denmark, expanding his knowledge of classical dance. Upon his return to the United States, he taught for three years as associate supervisor of ballet at the University of California, Berkeley and was principal dancer with Pause's company. Guidi started choreographing ballets for Pause, and was named associate director of the company (renamed Oakland Civic Ballet) in 1961. In 1965,

Guidi founded the Oakland Ballet and three years later opened the Oakland Ballet Academy, which serves as the primary training ground for future Oakland Ballet dancers.

Tickets for the performance are \$18, (\$9 Coastal students), and may be purchased through Wheelwright box office, ext. 2502.

"Sunday In Spadoni Park" Film Festival

The Coastal Film Society will present a Sunday afternoon film festival, "Sunday in Spadoni Park," Sunday, April 8, beginning at 2:30 p.m. in Wheelwright Auditorium.

The festival will feature the films *Jean de Florette* and *Manon of the Springs*, both directed by Claude Beri.

Jean de Florette will be presented at 2:30 p.m. The film tells the story of a hunchback tax collector who leaves the city with his wife and child for a farm he inherited. The farm and its spring are coveted by his neighbor, Soubreyan and Soubreyan's nephew, who block up the stream and wait for Jean to fail.

Manon of the Springs will be presented at 7:30 p.m. The film is a companion film to *Jean* and takes up the story ten years later, when Jean's daughter returns to the village. Seeking revenge for her father's death, she stops up the village's water supply and acts as the catalyst for the fall of Soubreyan and his nephew.

Those who attend the film festival, are invited to bring a picnic to enjoy in Spadoni Park between showings of the films.

Tickets are \$4 (two films), and are available at the door.

For more information, contact the Wheelwright box office, ext. 2502.

March Of Dimes WalkAmerica 1990

It's not too late to join Coastal's team for the March of Dimes. Faculty, staff and students (as groups, clubs or individuals) are encouraged to participate in raising money for this worthwhile cause even if you can't actually "walk" on Saturday, April 7.

More than a quarter-million infants are born with physical or mental deficiencies in the U.S. each year. The funds raised in WalkAmerica support research, educational, and medical programs in the on-going fight against birth defects. Your efforts enable the March of Dimes to continue its investment in the future . . . the children of tomorrow.

Last year Coastal raised more than \$500 toward the fight of birth defects. Our goal for this year is to raise more money than last year. Student organizations can use their participation as a community service project.
