Environmental program set

The campus cafeteria will sponsor a presentation by representatives from Dart Containers and P.Y.A. on environmental issues concerning Styrofoam on Wednesday, Dec. 5 at 3 p.m. in the cafeteria dining room. The program is free and open to all students, faculty and staff.

For more information, contact Carol Collins, extension 2361. ∞

Complete student employment papers

All departments that employ student workers are reminded to complete termination paperwork for any student who will not be returning to work for the spring semester.

Student positions that become available or new positions for students should be advertised in the job locator office.

For more information, contact Mollie Starbuck, SC 206, extension 2333. ∞

Math seminar

A mathematics seminar, *Finite Element Method*, by Prashant Sansgiry, will be presented Wednesday, Dec. 5 from 7 to 9 p.m. in SCI-120. The lecture is free and open to the public.

For more information, contact C.C. Edwards, extension 2167. ∞

USC Coastal Carolina College is an affirmative action, equal opportunity institution.

Orientation for new faculty

The final session of the New Faculty Orientation meetings will be held Tuesday, Dec. 4, from 3:30 to 5 p.m. in Kearns Hall Education Conference Room. Sponsored by Academic Affairs, the meetings are open to all faculty members.

Sally Horner, vice chancellor for administrative services and fiscal affairs, will speak on *USC Coastal Fiscal and Planning Issues*. Ron Ingle, vice chancellor for academic affairs, will lead a wrap-up discussion.

For more information, contact academic affairs, extension 2088. ∞

This Week is published each Monday by the Public Relations Office. Information to be included should be submitted by noon the Wednesday prior to publication.

Auditions set for Agatha Christie play

Auditions for *The Mousetrap*, a murder mystery by Agatha Christie, will be held Wednesday, Dec. 5 at 2 p.m. and Thursday, Dec. 6 at 7 p.m. in Wheelwright Auditorium.

Roles for five men and three women are open. No experience is necessary.

Rehearsals begin Jan. 16. Production dates are March 1, 2 and 3.

Scripts for *The Mousetrap* are available in Kimbel Library.

Directed by Ken Parks, assistant professor of theater, *The Mousetrap* is one of the longest running plays in the history of the London stage.

Individuals interested in working on technical crews for the production may meet with the technical director at the auditions.

The Mousetrap is the third production of the Coastal Carolina Theater season; the play is presented as part of the Wheelwright Passport Series. *The Glass Menagerie* by Tennessee Williams will close the season April 19, 20 and 21.

For more information on *The Mousetrap*, contact Ken Parks, extension 2501 or 2421. ∞

Science series

As part of a Science Seminar Series, M.P. Singh will present a lecture, *Mathematical Modelling of Gas Transport in Pulmonary and Systematic Circulations*, Thursday, Dec. 6, at 2:30 p.m. in SCI 107. The lecture will address applications such as deep sea diving, attitude physiology, meditation, exercise and anemia. The lecture is free and open to the public.

Singh received his Ph.D. in applied mathematics from the University of Maryland. He is a visiting professor at the University of Alabama-Huntsville and is a past president of the Indian Mathematical Society.

For more information, contact Subhash Saxena, extension 2076. ∞

Intramural news

The intramural sports department office has been moved to WBAX #1, next door to the sports Information office.

Free intramural aerobics classes are located in the WB dance studio. Classes are Monday, Wednesday and Friday from 2:30 to 3:30 p.m. and Tuesday and Thursday from 6 to 7 p.m.

For more information, call extension 2830. ∞

Coastal Carolina People

Sally M. Horner has been appointed to serve on a task force by the Commission on Colleges of the Southern Association of Colleges and Schools. The task force will develop materials for SACS to use in training visiting committee members prior to accreditation site visits. The task force, composed of 30 people selected by the Commission on Colleges, worked at the University of Georgia for three days in November.

Jill Sessoms has an article, *The Future of Developmental Education in the Four-Year Institution*, published in the fall 1990 issue of the National Association of Developmental Educators newsletter.

Don Millus has an article, *Grand Strand Trout*, published in the December issue of *Saltwater Sportsman*. ∞
