Chair William Turner called the Administration, Governance and Philanthropy Committee meeting to order at 3:40 p.m.

Turner noted that the new committee's functions and goals are located in the revised Board of Trustee bylaws.

Brandt Branham, Legislative Liaison for the Office of the President, gave a legislative report.

President DeCenzo extended his gratitude to Coastal's video production team for making the thirty Coastal Comeback videos that played over the summer.

Carissa Medeiros, Director of Emergency Management, spoke on the Coastal Comeback Plan. Coastal closed March 15, 2020, due to the COVID-19 pandemic. On March 17, 2020, the Emergency Operations Center (EOC) was activated. Since then, the EOC has worked on plans to safely reopen the University for the fall 2020 start for students. The University has been in Phase One since July 15, 2020, and the EOC is working towards Phase Two, so there may be face-to-face meetings again.
