JOHNS HOPKINS
UNIVERSITY PRESS

JOURNALS DIVISION

PUBLISHING AGREEMENT

The Johns Hopkins University, represented by the Johns Hopkins University Press (the Press), shall consider publishing your contribution to *portal: Libraries and the Academy* (the Journal), entitled _____

_____(the Article).

Should the Press decide to publish the Article in the Journal, you, as Author of the Article, hereby grant and transfer exclusively to the Press all rights of whatever kind to the Article, including but not limited to copyright, during the full term of copyright in the United States of America and elsewhere. The Press will register copyright to the Journal issue in which the Article appears.

Rights of the Author: You have the following nonexclusive rights: (1) to use the Article in your own teaching activities; (2) to publish the Article, or permit its publication, as a part of any book you may write or edit; (3) to include the Article in your own personal or departmental institutional database or on-line site; (4) to include the Article in your institutional repository provided the repository is institution specific and not a discipline-based database that accepts contributions from outside the institution; (5) to include your Article, *if required by law,* in an open access archive such as PubMedCentral. All on-line posting uses (3, 4, 5) are granted for the final manuscript version of the Article only, not the final published version in any format, including PDF. For all rights granted in this paragraph you agree to credit the Press as publisher and the copyright holder as follows:

> Copyright © **<year>** Johns Hopkins University Press. This article first appeared in *portal: Libraries and the Academy*, Volume **<#>**, Issue **<#>**, **<Month>, <Year>**, pages **<#-#>**.

Rights of the Press: The Press's rights include but are not limited to the following: (1) to publish the Article in any media, whether paper or electronic; (2) to license abstracts, quotations, extracts, reprints, and/or translations of the work for publication; (3) to license reprints of the Article to third persons; (4) to license others to create abstracts of the Article and to index the Article; (5) to license secondary publishers to reproduce the Article in print, microform, or any computer-readable form, including electronic on-line databases; (6) to license the Article for document delivery; and (7) to post an electronic copy of the final peer reviewed, copy edited manuscript on a Press hosted, open access pre-print server.

Warranties: You represent and warrant to the Press that the Article is original, that you have full power to make this Agreement, that you are the sole author(s); **that you have not previously published, or agreed to publish, the Article in whole or in part elsewhere,** except as you have informed the Press in writing; that you have used all reasonable care to ensure that all facts and statements in the Article are true; and that the Article is not defamatory or in violation of any right of privacy, common law, statutory copyright, or other personal or property rights.

Fees for Subsidiary Rights: If any fee of more than two hundred fifty dollars ($250.00) is collected by the Press for the licensing of subsidiary rights to separate use of the Article, *and if the Press has your current address,* the Press will, within ninety (90) days of receipt, pay you forty percent (40%) of the fee collected, dividing the remaining sixty percent (60%) between the Journal and the Press. If any fee collected by the Press is less than two hundred fifty dollars ($250.00), no portion will be paid to you; instead the entire amount will be divided between the Journal (to help defray publication costs) and the Press (to cover licensing costs).

Please sign and *date* this agreement and return the **original, as instructed**, to *either* the journal's editorial office *or* Johns Hopkins University Press, Journals Publishing Division, 2715 N. Charles Street, Baltimore, MD 21218. **We are unable to publish your article without a signed copy of this agreement. All co-authors please sign and date this agreement and provide home address.**
